By becoming a member, you consent to such details being used for these purposes.

The UltraWhite Sheep Breeders Association of Australia **Regulation 1** states the following regarding the registration of flocks

Applications for registration of a new flock of UltraWhite sheep may be accepted provided:

- (a) the flock comprises sheep transferred from a flock registered with the UltraWhite Sheep Breeders Association of Australia Inc;
- (b) the board from time to time may accept a flock of UltraWhite sheep transferred from a flock not registered with the UltraWhite Sheep Breeders Association of Australia Inc, subject to
 - i. documented evidence of breeding of each individual UltraWhite sheep showing 98% purity of the UltraWhite breed and meeting breed description standard requirements
- (c) the member subscribes to Sheep Genetics (Lambplan) and maintains that subscription while a registered member of the Association, recording and managing data appropriately for the Sheep Genetics (Lambplan) database
 - i. It is the Breeder's responsibility to ensure the accuracy of data submitted to Sheep Genetics (Lambplan).
 - ii. The Association accepts Sheep Genetics (Lambplan) data as being accurate and correct.
- (d) the undertaking endorsed on the application form to the effect that the applicant will comply with the Rules and Regulations for the time being in force and accept and be bound by the decisions of the Board is signed by the said applicant.
- (e) the application fully completed is received by the Secretary within 90 days of receipt of transfer.
- (f) the Association reserves the right to refuse an application for registration of a new flock. It shall be a ground for refusal that the applicant or if the applicant is a Company, any Director, or, if a partnership, any partner, is or has been associated with a flock which has been deregistered for misconduct.
